
Invitation

E-Combat Workshop, Competition and Rule Kick-Off-Meeting 05.07. – 07.07.2013

This meeting is intended to accomplish the proposal for an international FAI control line aero-modelling class.

The potential of modern electric motor driven combat models will be demonstrated in theory and practice. The new chances, the pros and cons will be discussed. A competition according to the preliminary E-Combat rule will be held.

Take the chance to visit Munich and the beauty landscape of southern Bavaria.
